in the Community of Democracies High Level Democracy Meeting held in Kraków on 2nd-4th July 2010:

Noting that our meeting marks the 10th anniversary of the founding of the Community of Democracies and the adoption of the Warsaw Declaration;

Acknowledging that the political, social and economic developments of the past 10 years have had a profound impact on the process of democratisation in the world;

Recognising that the advance of democracy has stalled in many parts of the world and that democracy faces competition from other political-economic models;

We hereby reaffirm the values, commitments and provisions contained in the founding document of the Community of Democracies, the Warsaw Declaration of 2000, respecting the rights, freedoms and responsibilities that are the essence of democratic governance and the commitment of governments to work together to promote and strengthen democracy, as well as those agreed to at the subsequent Community of Democracies Ministerial Conferences in Seoul (2002), Santiago (2005), Bamako (2007) and Lisbon (2009).

We therefore commit ourselves to:

Intensifying our efforts to transform the Community of Democracies into a unique forum for the world's democracies to promote and strengthen democracy on a global basis, as well as to discussing and promoting democratic values;

Bolstering collaboration on democracy-related issues in existing international and regional institutions;

Creating, together with democracy activists and everyone committed to the democratic process, a new global agenda for the Community of Democracies to increase the efficiency, intensity and scope of its activities.
